INFORMATION SYSTEMS TECHNOLOGY

Award: Associate of Applied Science Degree
Major: Information Systems Technology
Additional Information: Information Systems Technology (https://www.brcc.edu/academics/programs/ist/)
Potential Additional Funding Information

Possible occupations for graduates are: computer operator, help desk support, computer programmer, programmer analyst, PC support technician, and network support technician.

The A.A.S. degree program with a major in Information Systems Technology is designed for people who seek employment or professional development as a generalist in the area of information systems technology, with specific knowledge in various areas such as microcomputer applications, programming, and networking support.

The Information Systems Technology program provides students with knowledge and skills needed to prepare for the Microsoft Office Specialist (MOS) Certification, CompTia A+ Certification, CompTia Network+ Certification, and CIW Foundations.

Required Courses
Curriculum

First Semester		**Credit Hours**
CSC 110	Principles of Computer Science	3
ENG 111	College Composition I [1]	3
ITE 152	Introduction to Digital Literacy and Computer Applications	3
Select one of the following		3
ITN 106	Microcomputer Operating Systems	
ITN 107	Personal Computer Hardware and Troubleshooting	
Select one of the following [2]		3
MTH 111	Basic Technical Mathematics	
MTH 154	Quantitative Reasoning [2]	
MTH 155	Statistical Reasoning	
MTH 161	Precalculus I [2]	
SDV 101	Orientation to (IT Professions)	1
	Credit Hours	**16**
Second Semester		
CSC 221	Introduction to Problem Solving and Programming	3
Select one of the following		3
ENG 112	College Composition II [1]	
ENG 115	Technical Writing	
ITE 140	Spreadsheeting for Business	3
ITN 100	Introduction to Telecommunications	3
ITN 208	Protocols and Communications TCP/IP	4
	Credit Hours	**16**
Third Semester		
ITD 110	Web Page Design I	3
ITE 160	Introduction to E-Commerce	3
ITE 120	Principles of Information Systems	3
IT Elective [3]		9-10
	Credit Hours	**18-19**
Fourth Semester		
ITP 296	On-site Training in ITP [4]	3
IT Elective [3]		6-7
Social and Behavioral Science Elective (https://catalog.brcc.edu/programs-study/general-education-aas/#social) [5]		3

Literature/Humanities/Fine Arts Elective (https://catalog.brcc.edu/programs-study/general-education-aas/#literature)		3
	Credit Hours	**15-16**
	Total Credit Hours	**65-67**

1 Students intending to transfer to a four-year university should select ENG 111 and ENG 112.

2 Students intending to transfer to a four-year university should select: MTH 154 or MTH 161.

3 IT electives include all 100-200 level ITE, ITD, ITP, ITN, and CSC courses not already required in the program. Transferring students should consult with an advisor.

4 The internship or capstone project should be completed in the last semester of the program. Credit for these courses may not be obtained through the College's credit for prior learning process.

5 Recommend ECO 201 or ECO 202.

Certificates

Cybersecurity and Networking Foundations

Award: Career Studies Certificate
Potential Additional Funding Information (https://www.brcc.edu/g3/)

This curriculum is designed to provide students with fundamental knowledge and skills in computer networking, cyber threats, and how to secure hardware/software from vulnerabilities.

Code	Title	Credit Hours
ITN 106	Microcomputer Operating Systems	3
ITN 107	Personal Computer Hardware and Troubleshooting	3
ITN 208	Protocols and Communications TCP/IP	4
ITN 260	Network Security Basics	3
Select one of the following:		3
ITP 100	Software Design	
CSC 110	Principles of Computer Science	
SDV 101	Orientation to (IT Professions)	1
Total Credit Hours		**17**

Intermediate Cybersecurity

Award: Career Studies Certificate
Potential Additional Funding Information (https://www.brcc.edu/g3/)

Code	Title	Credit Hours
Select one of the following:		3
ITE 120	Principles of Information Systems	
ITE 152	Introduction to Digital Literacy and Computer Applications	
ITN 260	Network Security Basics	3
ITN 261	Network Attacks, Computer Crime & Hacking	3
ITN 262	Network Communication, Security and Authentication	3
ITN 263	Internet/Intranet Firewalls and E-Commerce Security	3
ITN 276	Computer Forensics I	3
Total Credit Hours		**18**

Cloud Computing

Award: Career Studies Certificate
Potential Additional Funding Information (https://www.brcc.edu/g3/)

Code	Title	Credit Hours
ITD 256	Advanced Database Management	3
ITN 103	Administration of Networked Services	3
ITN 107	Personal Computer Hardware and Troubleshooting	3
ITN 170	Linux System Administration	3
ITN 213	Information Storage and Management	3
ITN 254	Virtual Infrastructure: Installation and Configuration	4
ITN 257	Cloud Computing: Infrastructure and Services	3
Total Credit Hours		**22**

Information Technology for Business

Award: Career Studies Certificate
Potential Additional Funding Information (https://www.brcc.edu/g3/)

Code	Title	Credit Hours
ENG 115	Technical Writing	3
ITE 120	Principles of Information Systems	3
ITE 140	Spreadsheeting for Business	3
ITE 152	Introduction to Digital Literacy and Computer Applications	3
ITE 160	Introduction to E-Commerce	3
IT Elective [1]		3-4
Total Credit Hours		**18-19**

[1] IT electives include all 100-200 level ITE, ITD, ITP, ITN, and CSC courses not already required in the program.

Foundations in Digital Design and Graphics

Award: Career Studies Certificate
Potential Additional Funding Information (https://www.brcc.edu/g3/)

Code	Title	Credit Hours
ART 115	Current Issues in Web Design	1
ART 180	Introduction to Computer Graphics	3
ITD 110	Web Page Design I	3
ITD 130	Database Fundamentals	3
ITE 152	Introduction to Digital Literacy and Computer Applications	3
ITE 160	Introduction to E-Commerce	3
Select two of the following:		6
ART 131	Two-Dimensional Design	
ART 121	Foundations of Drawing	
PHT 264	Digital Photography II	
Total Credit Hours		**22**

Cybersecurity

Award: Career Studies Certificate
Additional Information: Information Systems Technology Program (https://www.brcc.edu/academics/programs/ist/)

Code	Title	Credit Hours
Select one of the following:		3
CSC 110	Principles of Computer Science	
ITP 100	Software Design	

ITN 103	Administration of Networked Services	3
ITN 106	Microcomputer Operating Systems	3
ITN 260	Network Security Basics	3
ITN 208	Protocols and Communications TCP/IP	4
ITN 261	Network Attacks, Computer Crime & Hacking	3
ITN 263	Internet/Intranet Firewalls and E-Commerce Security	3
SDV 101	Orientation to (IT Professions)	1
Total Credit Hours		**23**

Information Technology

Award: Career Studies Certificate
Additional Information: Information Systems Technology Program (https://www.brcc.edu/academics/programs/ist/)

Purpose: To provide the student with an opportunity to explore various technical areas within Information Technology. These courses will provide an overview of the discipline for those interested in expanding their knowledge but will also provide an appropriate background for continuing academic studies.

Code	Title	Credit Hours
Select one of the following:		3
ITE 152	Introduction to Digital Literacy and Computer Applications [1]	
ITE 120	Principles of Information Systems	
Select one of the following:		3
ITP 100	Software Design	
CSC 110	Principles of Computer Science	
ITN 208	Protocols and Communications TCP/IP	4
Select one of the following:		3
ITD 130	Database Fundamentals	
ITD 140	Machine Learning I	
IT Elective [2]		3
ITN 257	Cloud Computing: Infrastructure and Services	3
Select one of the following:		3
ITP 296	On-site Training in ITP [3]	
ITP 298	Seminar & Project [3]	
IT Elective [2]		
SDV 101	Orientation to (IT Professions)	1
Total Credit Hours		**23**

1 ITE 152 is a co-requisite or prerequisite to most other IT courses and should be taken in the first semester.

2 IT electives include ACC 211 and all 100-200 level ITE, ITD, ITP, and ITN courses not already required in the program.

3 The internship or capstone project should be completed in the last semester of the program.
